Anjaana Anjaani is the story of Kiara (Priyanka Chopra) and Aakash (Ranbir Kapoor) . The film has settled quite strongly with music as its main strength. The song 'Hairat' which is ultra addictive,while songs like ' Anjaana anjaani ki kahaani' and 'Tujhe Bhula Diya' are really soulful . There are seven full-length songs with a couple of remixes that really justify the musical tag that it has lent to itself.
